

Oh hey,

I'm Mellissa

I'm a wife, mom of four amazing kids, a teacher, I love teaching about positive discipline, and obsessed with creating adventurous ways to do the ordinary.

Like many of you, I'm always trying to keep our home organized and full of happiness. That's not always easy, right?

So, I thought, why not make every month more fun? These printables are meant to turn those ordinary months into exciting adventures for the whole family. I've found it really helps us work together and enjoy our time, making our home happier and maybe even a little tidier.

I hope you have as much fun with this as we do.

Let's do this!
